Book 2 of Lost Trilogy

Sara finds herself in a new world, an all-vampire community that at first seems like a picturesque scene of self-indulgent paradise, but soon learns that there's an underbelly to this place of sun and sex. Having been a captive of a vampire's insanity, she finds herself drawn towards two very compelling slaves, who reside on the island, raising many buried memories for her, and igniting a mental agony she can't ignore for long. Ancient magic is afoot, presenting to her a whole new set of problems she'd never signed up for. Sara doesn't know it quite yet, but fate has interceded and changed her destiny from being just another Hunter, into so much more.
